MFL

Intent

At Medlar with Wesham Primary School our children are LINGUISTS!

Our **intent** is to support our children in developing their understanding and a love of a second language. To equip them and give them the tools to support them when transitioning into high school. We aim to do this through fun and engaging lessons. We want our children to enjoy learning Spanish. Through our scheme of work, we aim to give pupils a foundation for language learning that encourages and enables them to apply their skills to learning further languages.

The Spanish scheme of work supports pupils to meet the National curriculum end of Key stage 2 attainment targets (there are no Key stage 1 attainment targets for Languages).
