Our Christian Vision Mission Statement

We are a loving, caring, distinctively Christian family, providing an excellent education in a safe, happy environment, where every individual is valued as a child of God.

Curriculum Statement of Intent:

Children will be inspired to become curious learners, who have the resilience and confidence to succeed in life.

Policy Adapted: September 2025

Policy Adopted by the Governing Body: November 2025

Policy Review Date: September 2026

At Medlar-with-Wesham we set high expectations of behaviour living out our Gospel Values and 'More than I am' school motto in all that we do. We aim to positively encourage our children through the key principles of being **READY** to learn, demonstrating **RESPECT** and promoting a **SAFE** environment for all, where we love and care for the needs and rights of others as well as ourselves. We actively create an environment in which our pupils can flourish in our school family, rooted in our Bible Scripture 'Whatever you do, in word or deed, do everything in the name of Lord Jesus' Colossians 3:17. We believe that each child is a unique individual. We want each one of our children to be **CURIOUS**, **RESILIENT**, and **CONFIDENT**, whilst experiencing a challenging curriculum to achieve their potential, raise their self-esteem and self-awareness.

AIMS:

The aim of this policy is to ensure that our school has a positive atmosphere, where each member of the community feels valued and in which there is a joint approach and shared responsibility. This policy requires the active involvement and cooperation of each member of our school family: pupils, parents/carers, governors, and teaching staff. This policy aims to help children grow in a safe and secure environment, and to become positive, responsible, and

increasingly independent members of the school community. The school actively promotes and teaches positive behaviour, as it believes that this will develop a calm ethos of kindness and cooperation.

Our Behaviour for Learning Policy actively aims to promote good behaviour through:

- Teaching our Christian values with particular focus on our school's Core Gospel Values of (Courage, Forgiveness, Respect, Faithfulness, Hope and Wisdom).
- Explicitly teaching routines and expectations:

Explicitly teaching routines in primary school is essential for creating a structured and supportive learning environment. Children thrive on consistency and clear expectations, and when routines are clearly taught, modelled, and practiced, students are more likely to feel secure, stay on task, and develop independence.

This foundational approach minimises confusion and behavioral issues, allowing more time for meaningful learning.

Furthermore, explicit instruction in routines helps all learners, including those with additional needs, to understand what is expected of them, promoting equity and inclusion within the classroom.

Ultimately, well-established routines foster a positive classroom culture where students can focus on learning and growth.

- Teaching children about My happymind 'Character Strengths' and positive reinforcement when children use them. (Teamwork and Friendship, Bravery and Honesty, Love and Kindness, Exploring and Learning and Love of Life and Our World.)
- Whole school Worship and assemblies.
- A strong PSHE curriculum, which has been devised using the PSHE Association materials, ensuring children's development of their understanding of behaviour. PSHE activities can assist in:
 - Understanding the experiences and needs of others.
 - Developing the ability to express their own feelings.
 - Discussing or role play of reactions in different situations.
 - Forming class agreements and codes of behaviour, developing a sense of belonging in our class and school community.
- To deliver lessons which are of a good pace, with explicitly taught classroom and whole school routines which will ensure teaching and learning is effective and impactful. Eg. Use of 'silent signals' poster.
- Explicitly teach a whole school ethos of supportive peer to peer learning via 'How to be a good learning partner' poster.
- Children shall be taught also as part of our Christian distinctiveness, Religious Education and Worship, the value of respect and good behaviour, to understand differences and diversity.
- Teaching of how to resolve and repair conflict.
- Knowing and understanding each individual child.
- Explaining the school agreements, and ensuring these are understood and are consistent throughout school.
- Helping the children to become independent learners and thinkers and be responsible

for the consequences of their own actions.

- Developing a respectful, forgiving and nurturing environment and ethos.
- Supporting and nurturing children when social and emotional needs arise and planning time for regulation after transitions as necessary.
- 'Our Wesham Way' School Agreements.

Our Wesham Way School Agreements promote positive relationships and behaviour for learning.

Our School Agreements are included in the "Induction Booklet" given to parents on entry to school, at the start of each new term on Class Dojo and 'Meet the teacher' annual meetings.

Sanctions for Inappropriate Behaviours:

We believe that each child is a unique individual. We want every one of our children to be **curious, resilient** and **confident**, whilst experiencing a challenging curriculum to achieve **their potential**. In order to achieve this we have adopted a **zero-tolerance stance** towards physical and verbal aggression.

Our school community considers the following to be inappropriate behaviour:

- Repeated breaking of the 'Wesham Way Pupil Agreement.'
- Deliberately hurting a pupil or adult physically or emotionally.
- Verbal abuse towards pupils or adults.
- Swearing or use of offensive gestures. (including online)
- Prejudicial, homophobic, or racist language. (including online)
- Deliberate damage to property.
- Behaviour which creates risk or raises safeguarding concerns for other pupils or adults.
- Bullying (including online)
- Stealing
- Spitting
- Inappropriate use of technology.
- Unsafe behaviour.
- Significant disruption to school life and learning.

The initial stages of dealing with inappropriate behaviour and breaking of the 'Wesham Way Pupil Agreement' are addressed via the following 3 sanctions:

- 1) Class teachers/TA:
Behaviour Reminders in class/playground. Reminder, reminder, note name on a clip board NOT displayed on whiteboards, (This serves as reminder for the staff member that you need to follow it up with the child after the session 1:1 or pass to class teacher if you are on duty).
- 2) Class teachers/TA:
If child needs to regulate away from the classroom as disrupting teaching and learning send to Buddy Class for reflection time or to sit in regulation area in another part of school/outside HT's room. Class teacher to follow up with positive redirection after the session when they return and communication with parents/carer by class teacher.
- 3) Attending Headteacher/Deputy. Lunchtime session (away from the rest of the class) for 'Repair and Restore' time and communication with parent/carer by the Headteacher/Deputy.

All years use a model to solve any behaviour issue which includes the following process, adapted appropriately for the emotional age of the child:

- Child is spoken to at their level by an adult calmly and quickly.
- Acknowledgement of their feelings and directing to 'Regulation Station' if appropriate.
- Gathering of information.
- Re model the problem so children can understand.
- Ask for ideas and solutions and choose one together.
- Repair, restore and forgive.

Further Behaviour Support Measures:

Children are consistently and actively reminded by staff on safe behaviours and why they are

necessary.

Staff will use ': –

'BEHAVIOUR FOR LEARNING POLICY STAFF SUPPORT DOCUMENT' to support:

CALM SCRIPTS

WIN SCRIPTS

BOUNDARY SCRIPTS

SAFETY SCRIPTS

DISTRACTION

EMPATHETIC COMMENTARY

REPAIRING AFTER THE CHILD HAS REGULATED.

Staff may use and record **'Restorative Conversations'** using the support prompt documents if appropriate and upload to CPOMS.

If Inappropriate behaviour continues:

- Teachers and TA's use a **'Behaviour Flow Chart'** to consistently apply sanctions, and this will be discussed/shared with parents/carers of children if inappropriate behaviour is repeated in school.
- The steps taken will be applied according to the circumstances of the individual case and are not necessarily sequential depending upon the nature and severity of the case. The age and developmental awareness of the children will be factored in. School may require parental support during school hours.
- Staff will continue to monitor children's behaviour and complete records on CPOMS.
- Suspension or permanent exclusion consideration will be formed on the evidence available to the school and the inappropriate behaviour. After a fixed term Suspension, parents/ carers will meet with the headteacher/Deputy, child's class teacher and/ or the school's SENDCO to discuss ways of successfully managing the child's return.

SEND children may have these expectations clarified verbally or visually at an individual level.

- An IPP (Individual Pupil Plan) will be created to support the child. These will both be monitored by the Headteacher/Deputy and SENDCO. This may involve 1:1 sessions with the Pastoral TA.
- Additional support from multi-agencies may be instigated using for example.
 - Stepping Stones Outreach Support Team
 - Completion of EHA/ TAF
 - Family Health and Wellbeing Team
 - SENDCO will complete all referrals and submit all evidence.

An individual case may have other factors, particularly relating to the age, wellbeing and maturity of a child and their level of understanding. Sanctions can also be applied for conduct out of school under statutory powers.

Children who have social and emotional difficulties will need additional support. The early identification of problems and intervention is important. External agencies may need to contribute, and the school will liaise where appropriate with other educators to support school and the child/ren

Conduct Outside The School Gates

Headteachers have a specific statutory power to regulate pupils' behaviour in these circumstances 'to such an extent as is reasonable.' Teachers have a statutory power to discipline pupils for misbehaving outside of school premises.

This could include times such as:

FIXED-TERM SUSPENSIONS AND PERMANENT EXCLUSIONS

The school has therefore adopted the standard national list of reasons for suspension, and the standard guidance, 'School suspensions and permanent exclusions'.

We refer to this guidance in any decision to exclude a child from school. The relevant web address is: <https://www.gov.uk/government/publications/school-exclusion>

Use of Reasonable Force

Our school adheres to the legal guidelines describing the conditions by which members of staff will use reasonable force.

<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

All staff should be aware of the following definitions:

Physical Control/Restraint-

- This will involve the use of reasonable force when there is an immediate risk to pupils, staff or property.
- Reasonable force may also be used if a disruptive child refuses to leave a classroom situation after being told to do so. This may be used to divert a student from a destructive or disruptive action, for example guiding or leading a student by the hand, elbows or shoulder with little or no force.
- Any further handling of pupils would be carried out by Headteacher/deputy.
- The decision by staff to physically intervene in a situation is down to the professional judgement of the staff member concerned and will always depend on individual circumstances.
- Considerations will be made by all members of staff for pupils with SEND needs.

School does not require parental consent to use reasonable force on a child that staff deem fall into any category requiring physical control/the use of reasonable force or restraint. All such incidents will be recorded. An entry will be made on CPOMS.

Confiscation of Items:

Our school adheres to the legal guidelines describing the conditions by which members of staff will confiscate items from children.
